The storyline Most of you have probably seen anime and Ash go to Johto after returning from Orange Island with GS Ball from Professor Oak. So the story is clear, you are Ash Ketchum and you are on a trip to the far area of Johto. They have a chance to capture all the Pokemon caught for the cup and all the emotions that Ash had. Get ready to become and feel the passion for happiness, hard work and everything you have done, get ready because this trick includes the entire history of Ash in the adventurous region of Johto. Rocket Evil Team has reappeared and is trying to find its leader after three years of extinction. They went crazy trying to develop Pokemon through radio frequencies and selling sloping tails. You are a young trainer who has been tasked with bringing Pokemon near the town of Cherrygrove and then offering you his first Pokemon. On the way back, he had a fight with a mysterious new coach who does not have a name. When you get back to the lab, you'll find that this guy stole the bag and the police are looking for it. The premise of the story is that you are the new Pokemon trainer. For years you have seen the Champions League Johto and you have even thought about travelling, but until now, you were very young. After your 12th birthday, you finally get permission from your mother to go to Professor Elms and get your first Pokemon. But Professor Elma isn't in the lab. When you go to see the Pokemon balls, it's gone. Then, when you get in the way, you look exhausted and exciting professor elf. You're the one who came for Pokemon, aren't you? Forgive me, I'm Professor Elm. Red Guy just stole one of my Pokemon, which is why I was left without breath. Eventually, you go back to elm lab, you can get your first pokemon and you couldn't be more excited. However, before a coach can enter the Johto League, they need them to get all the opportunities of the gym master. Thus, the Johto Leagues keep the newcomers out of the fight. But when you see a disturbed man named Silver, who immediately takes off the road. Why he was there, no one knows, but you know you'll see him again. And there your trip will be one of the strongest trainers of Pokemon. Pokemon Johto is based on five to ten years before Red's adventures. The Johto region is an international member of a terrorist organization known as Team Rocket. Using irresistible means and crude tactics, missiles key strategic points throughout the region and are planning Pokemon puppies.
